Dear Families,

We strongly encourage your child to use their Reflex account throughout the summer!

Students have been using Reflex in class several days a week for about 10-15 minutes at a time and are making steady progress toward fluency. Since Reflex is online, students can continue using it at home on computers or tablets with the Reflex Student app.

Your child can access Reflex on a computer at home with these simple instructions:

1. Using an Internet-connected computer with Flash Player 11.4 (or higher) installed, type in this web address: <http://www.reflexmath.com>
2. Click on the Launch button in the upper right corner - Enter the teacher's username
3. Click on the appropriate class (if applicable)
4. Click on your child's name
5. Enter your child's password

Reflex is structured to provide a short daily assessment of student progress, then coaching on new facts, and finally fact practice in the games. If you would like to follow their progress with a Reflex Parent Reporting Account, you can sign up for one here: <https://www.reflexmath.com/parents>

If you have any questions about Reflex technical support, you may contact ExploreLearning directly, via email at [support@explorelarning.com](mailto:support@explorelarning.com), or by phone at 866-882-4141 (press option 4 for Support).

If you have any questions, please feel free to contact Ms. Rita Della Valle, Supervisor of Mathematics, via email at [rdellavalle@hillsidek12.org](mailto:rdellavalle@hillsidek12.org).

If you have any digital support questions about Reflex, you may contact ExploreLearning directly, via email at [support@explorelarning.com](mailto:support@explorelarning.com), or by phone at 866-882-4141 (press option 4 for Support).

Thank you so much and have a wonderful summer break!
